**Directions:** Use the questions below as you complete the survey in Activity 1. Feel free to add any additional questions as you see fit.

1. Have you ever been dishonest at home, at school, with your friends, or in any other part of your life? Why did you choose dishonesty over honesty?
2. If so, can you describe how you were dishonest? For example, did you tell a lie? Or did you cheat on an assignment or exam?
3. Did you feel badly for being dishonest? If so, what did you do to make yourself feel better? Did you tell the truth?
4. Has anyone ever been dishonest with you?
5. How does it make you feel when someone is dishonest with you?
6. Do you think dishonesty is ever excusable? Are some lies more acceptable than others? Give an example.
7. Can you think of a time when you chose to be honest because it was the right thing to do? Was it difficult? Why or why not?
8. What do you think people our age lie about most?
9. If you could teach someone one lesson about the value of honesty, what would it be?
10. If a friend told you that he or she was thinking of cheating on an exam or telling a lie to avoid getting punished, what would you say to him or her?
