

Elements of Interfaith Dialogue

PART I: Review the graphic organizer's components to guide your viewing of the RELIGION & ETHICS NEWSWEEKLY segments.

PART II: After viewing, complete the organizer as follows:

Column 1: Identify the individuals or groups the video discusses.

Column 2: Identify the issue, conflict, desire, or concern that is at the center of the interfaith dialogue.

Column 3: Identify the interfaith dialogue tool, or the recommended tool, i.e., a book club with members of varied faiths, interpreting common elements of scripture, or interfaith dialogue guidelines.

Column 4: Identify what is successful about the tool.

Column 5: Identify what challenges the tool presents.

Key Participants	Subject	Tool	Success	Challenge

PART III: Based on the videos you viewed and the information you gathered in the graphic organizer, determine what should be part of interfaith dialogue in order for it to have positive impact and long-term.
