

## PEACEMAKING PROFILE

Use the following chart to document elements of the peacemaking efforts and qualities highlighted in the videos you have viewed or the transcripts you have read. In particular, look for the following:

- Describe each peacemaking effort (what it is trying to resolve, who heads it up, where it is based, etc.)
- Note the purpose of each activity and/or individual (for example, is it strictly religion-based? Does it combine religion and politics? Does it bring groups of people together?)
- Identify the motivators behind the peacemaking efforts (for example, war, interfaith approach to establishing peace, correcting the past, etc.)
- Highlight the characteristics/background/experiences of the individuals heading up the efforts
