

Student Handout

Topic D: Ending Hunger

Guiding Questions

1. What needs are being served by Share Our Strength? How do the recipients of the services benefit?
2. How do the givers benefit?
3. Bill Shore's parents told him: "We are going to teach you to be a good neighbor, and to serve others, and if you understand both of those things, how to really be good to the people around you, you'll know the major principles of every religion in the world." Comment on this statement.
4. Do you think it is wrong for an organization like Share Our Strength to accept money from corporations? Explain.
5. What about promoting products in exchange for contributions? Do you think this is okay?
